

SPECIAL TO THE WEST ISLAND GAZETTE

June 28, 1991

Sandra Mullins, a former Quebec university all-star at Bishop's University, has accepted a position as assistant coach of the Concordia University varsity basketball Stingers.

Mullins, a native of Pointe Claire, helped quarterback the Gaiters to two Quebec championships during her four year career at Bishop's. During that time she was named to the QSSF all-star team three times. She graduated this past spring with a joint major in mathematics and business.

Sandra started her basketball career with the Brookwood organization before moving on to John Abbott where she led the Islanders to a National Championship in 1985.
